"Communication Bleeps and Blunders in Business"

You said one thing; your client or coworker heard something else. Nobody was wrong, but now everybody's confused...and *you* have to deal with it!

Laugh and learn as Todd Hunt shares real-life examples from business, revealing how we can improve our communication and become more successful. We'll also laugh at ourselves, with Todd leading the way.

He's inspired audiences at New Jersey Statewide Payroll Conference, ADP, Financial Women International, Healthcare Financial Management Association, Illinois Bankers Association, National Association of State Boards of Accountancy, North Carolina Association of CPAs, Prudential Financial, Washington Finance Officers Association and other financial conferences.

Prior to his speaking business, Todd owned a marketing company and worked for Ogilvy & Mather, the world's largest advertising agency.

Learning through Laughter

**California
Payroll Conference
Thursday, October 6, 2016**

Do you eat M&Ms in color order?
Alphabetize your cereal boxes?
Rearrange the dishwasher because
you don't like the way your
significant other loaded it?
If so, you'll appreciate Todd's
take on business and life.
(If not, there's still hope.)

You'll howl as he acts out voice
mail greetings, showing how we
waste 240 hours each year waiting
for the beep. His demonstration
of the "correct" way to order fast
food will challenge you to consider
where your listener is coming from.
And his recollection of junior high
English teacher Miss Reiser will
bring back memories of your own
(fond or otherwise).

Financial professionals rave:

"Thank you helping me understand my boss!"

—New Jersey Statewide Payroll Conference

**"Nice change from our usual accounting
jargon."**—Georgia Society of CPAs

"Very entertaining and informative."

—Prudential Financial
