### "What Time is the Noon Lunch?" Maintaining Your Sanity in the Wonderful World of Meetings

What's your biggest challenge every day? Communication probably tops the list, because everyone messes it up - and we're hilarious! Like delegates who ask, "Is the general session for everyone?" "Is the cash bar free?" "If I already sent in my form, am I pre-registered?" With this presentation, Todd Hunt will send you back to work smiling with some tips to improve communication successfully.

#### Learner Outcomes:

- Communicate not just so clearly that you're understood, but so precisely that you cannot possibly be MISunderstood.
- Discover the eight problem words that could cost you business.
- Return to your office and re-record your voicemail greeting, less you sound like one of Todd's outrageous (and true) examples.
