*Communication Bleeps and Blunders in Business*

Todd Hunt is a Recovering Anal Retentive Professional (RARP) who finally learned to lighten up. Now he tells funny, true stories about sales, customer service, leadership, change and poetry in the workplace (OK not that last one). People leave his programs energized to communicate better with customers and employees to become more successful, make more money and get a better life. Now who doesn't want to hear that!

Todd was in advertising for 10 years, including the ad agency Ogilvy & Mather. For 10 more years, he owned his own marketing company in Chicago.

Now he's a speaker and author, receiving applause and guffaws at hundreds of organizations across the country. Visit him at [www.toddhuntspeaker.com](http://www.toddhuntspeaker.com).
