RE: BLEEPS AND BLUNDERS BULL'S-EYE!

Dear Todd:

You made quite an impression at our professional development luncheon last week! People are still thanking us for bringing you in.

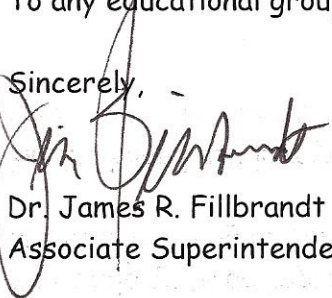

Having heard you last year in Santa Clara, I was confident you'd deliver. But you exceeded even my expectations.

Our group represented many areas—administrative, purchasing, operations, finance—and all levels, from entry to senior vice president. Your wit and insight into communications struck a chord with everyone.

What impressed me most was you poked fun at yourself first, which gave us permission to laugh at the many ways we miscommunicate with teachers, students, parents and each other. In such a fun, open atmosphere, the lessons learned really stuck.

To any educational group considering booking you, I would say hire Todd Hunt now!

Sincerely,

Dr. James R. Fillbrandt
