TODD HUNT

BUSINESS HUMORIST, COMMUNICATION BLEEPS AND BLUNDERS IN BUSINESS

Funnier than a business speaker; more informative than a comedian, Todd Hunt speaks to organizations and sends members back to work smiling – with tips to improve communication and success.

His keynotes have inspired audiences at American Payroll Association, Prudential Financial, Fujitsu, Healthcare Financial Management Association, Society for Human Resource Management, Blue Cross Blue Shield, Illinois Association of Realtors and other conferences.

As an executive with Ogilvy & Mather, one of the world's largest advertising agencies, Todd learned the inner workings of communication. Additional positions with an insurance administrator, financial services provider and his own marketing company confirmed what he had suspected all along – we all miscommunicate!

One day he discovered that people were hungry to hear his funny, true stories about sales, member service, leadership and change, which he gathered during his business career. Now a professional speaker, he inspires hundreds of groups each year to communicate better and become more successful. His books include "Does Anal Retentive Have a Hyphen?" and "Pardon Me, But That's a Really Stupid Sign!" His newspaper column, "Communication Bleeps and Blunders in Business," has appeared in the United States and Canada, and he stars on several CD and DVD programs.
