Communication Bleeps and Blunders

Todd Hunt
Business Humorist

Do you eat M&Ms® in color order? Alphabetize your cereal boxes? Rearrange the dishwasher because you don't like the way your significant other loaded it? If so, you'll appreciate Todd Hunt's take on business and life. (If not, you'll still laugh!) He's a Recovering Anal Retentive Professional (RARP), who finally learned to lighten up, after working two decades in the corporate world. Now he speaks to organizations that want to add fun to their events and send members back to work and home smiling, with tips to improve communication and success. Visit Todd at www.ToddHuntSpeaker.com.
