Todd Hunt speaks to groups that want to add fun to their conferences and send members back to work smiling — with tips to improve communication and success. As an executive at Ogilvy & Mather, one of the world's largest advertising agencies, he learned the inner workings of communication. Additional positions with an insurance administrator, direct marketing company and national retailer confirmed what he had suspected all along — people miscommunicate every day! Now a business humorist, Todd's communication lessons wrapped in laughter have inspired people from such organizations as Hallmark, Fujitsu, Prudential Financial, BlueCross BlueShield, Community Associations Institute, Meeting Professionals International...and now SHRM!
