

You're anal retentive if you...

1. Eat M&Ms in color order.
2. Fold your dirty clothes before putting them in the hamper.
3. Color coordinate your underwear with your outfit.
4. Require no fewer than 200 threads per inch on your sheets.
5. Alphabetize your cereal boxes, spices and canned goods.
6. Collect the postcards that fall out of magazines for recycling.
7. Organize cash in your wallet by bill condition within denomination.
8. Arrange your groceries on the conveyor belt—all cans, all paper goods, all freezer items, etc.
9. Run every e-mail through spell-check and grammar-check before sending.
10. Rearrange dirty dishes in the dishwasher because you don't like the way your significant other loaded it.

Todd Hunt is a business humorist and Recovering Anal Retentive Professional (RARP).
